Dear Sir:

I note your inquiry in the September issue of "The Connoisseur" for material relating to Masonry. May I ask whether you have or would be interested in a copy of "The Medals of the Masonic Fraternity" by Wm. T. R. Marvin, published in 1880? I should be glad to supply a copy, durably bound in library buckram, at a cost of \$10.00.

Very truly yours,

SN:JG
